

CHPE Community Update for the week of 08/4/2024

For Stony Point Residents in the vicinity of Park Road between Battlefield Road and North Liberty Drive / Route 9W.

TEMPORARY DETOUR

Please note that there will be a temporary detour in your neighborhood starting on August 4th and continuing for roughly one to two months due to the construction of the Champlain Hudson Power Express project.

During this time, Park Road South will be closed between Battlefield Road and North Liberty Drive / Route 9W. The northern entrance to Park Road will be limited to local traffic only (*residents, deliveries, and service calls in the affected neighborhood*). **Park Road residents will continue to have access to their homes.**

We strongly encourage utilizing Tomkins Avenue as an alternative to Park Road to access Georgian Drive, Jackson Drive, and other streets in that neighborhood.

We are sorry for any temporary inconvenience this may cause.

For more information on the project, contact CHPE at **800-991-CHPE (2473)** or **publicoutreach@chpexpress.com**
